APPLICATIONS!**

Ramset T3 Fuel Cell

- Fuel cell vs. powder load comparison: The average cost savings to deliver 1000 shots for the Ramset T3ss fuel cell is between 50-70% less expensive compared to powder.
- The basis of Ramset Gas Actuated Fastening tools are the Fuel Cells.
- Easy to install, just drop it in and click to engage.
- Leave the cell in until it's completely used up. When it's used up press the quick release Fuel Cell Eject button and dispose of it the same way you would a used can of spray paint.
