

# The month of **March** is **Ladder Safety Month**

We offer VIRTUAL on-line or DVD ladder safety training by our experts. Schedule yours now to train your team on how to safely use a ladder.

**C.L.I.M.B.  
ACADEMY**

Louisville Ladder's **C.L.I.M.B. ACADEMY** teaches fundamental principles of using step ladders, extension ladders, rolling warehouse ladders, rolling tower scaffolding, and aluminum walkboards. In addition to **C.L.I.M.B. ACADEMY** our customers benefit from free ladder condition assessments and ladder use audits. Several of our customers have saved thousands of dollars voiding OSHA fines and ladder-related accidents.
